## COLD WEATHER WAKE-UP CALL FOR CARS

COOLER WEATHER MEANS IT'S TIME TO GET YOUR CAR SET FOR THE WINTER DRIVING SEASON. MAKE SURE LIGHTS WORK AND ARE PROPERLY AIMED. CHECK HEATERS, DEFROSTERS AND WIPERS. KEEP BATTERY CONNECTIONS CLEAN, TIGHT AND CORROSION-FREE. CHANGE THE OIL AND FILTER AS RECOMMENDED. HAVE THE BRAKES INSPECTED AND CHECK THE TIRE TREAD DEPTH AND PRESSURE. CLEAN, FLUSH AND ADD ANTIFREEZE TO THE COOLING SYSTEM. CHECK THE EXHAUST SYSTEM FOR CARBON MONOXIDE LEAKS. LEARN MORE FROM THE CAR CARE COUNCIL'S "BE CAR CARE AWARE" CAMPAIGN AND "CAR CARE GUIDE" AT CAR-CARE--DOT--ORG.
