

TIPS FOR STAYING SAFE AND CONNECTED DURING A MOVE

PLANNING A MOVE, EVEN IN THE MIDST OF A PANDEMIC, CAN BE A LITTLE LESS STRESSFUL IF YOU HEED THESE TIPS:

BY FOLLOWING SOME SIMPLE, COMMON SENSE GUIDELINES FROM THE CENTERS FOR DISEASE CONTROL AND PREVENTION, YOU CAN ENSURE YOUR NEW HOME IS CLEAN. DISINFECT ALL SURFACES, INCLUDING DOORS, DOOR HANDLES, BATHROOMS, KITCHEN APPLIANCES, COUNTER TOPS AND LIGHT SWITCHES.

NEW WORK-FROM-HOME PROTOCOLS AND ONLINE SCHOOLING MEAN RELIABLE INTERNET CONNECTIVITY IS MORE IMPORTANT THAN EVER. PRIOR TO YOUR MOVE, VISIT WWW.SMARTMOVE.US WHERE YOU CAN SET UP A NEW TOUCHLESS INSTALL. YOUR CABLE COMPANY WILL DELIVER EQUIPMENT WITH STEP-BY-STEP ACTIVATION INFORMATION SO YOU CAN SET UP YOUR SYSTEM YOURSELF—NO TECHNICIAN WILL EVEN NEED TO ENTER YOUR HOME.

USE YOUR NEW ONLINE CONNECTION TO FIND DELIVERY SERVICES TO STOCK YOUR PANTRY AND REFILL PRESCRIPTIONS. WATCH YOUR FAVORITE SHOWS, MAINTAIN YOUR EXERCISE ROUTINE OR EXPLORE ONLINE COURSES. CONNECT WITH FRIENDS THROUGH GROUP VIDEO CHATS OR VIEWING PARTIES—MAYBE EVEN TAKE FRIENDS AND FAMILY ON A VIRTUAL TOUR OF YOUR NEW PLACE.
